TIMINGS

BEFORE YOU ARRIVE: RACE BIBS

- Your race bib was posted around 23rd August. Please make sure bring it on the day. If you booked after 20th August, have an international delivery address or ordered on Eventbrite, your bib will be available for collection on the day.
- Make sure you fill out the personal information on the back of your bib before you race.
- Attach your number to the front of your shirt (we recommend safety pins or magnets). Your timing chip will be attached to your race bib.
- On race day, make sure there is nothing covering your bib (such as a jumper or coat) whilst you are running, as this may affect the timing chip.

8:45 – 10:00 : BAG DROP AND MERCH COLLECTION

- Your bag drop label will be attached to your bib - tear it off and attach to your bag.
- Please leave valuables at home, and make sure all items fit within one bag.
- Leave your bag at the bag drop, and collect after the race. All bags are left at the owner's risk.
- Preordered merchandise will be available for collection from the Merch Collection Stand. Please have a copy of your order to hand.

TIMINGS

9:00 – 9:45 : HARRY STYLES PERFORMANCE

Swift & Styles will be performing some of your favourite hits in the event village whilst you're arriving.

10:00 – 10:10 : HARRY WARM UP

Harry will host the warm up at the start area before the race.

10:15 – 10:25 : GETTING RACE READY

After the warm up, you will be walked down to the start line. Please follow the correct flags and listen to the announcements from the marshals.

Marshals will ask you to line up roughly in pace order where possible. We'll also have music guides running the course to help fill the route with as much Harry as possible.

DURING THE RACE

There will be marshals around the course, cheering you on, helping you feel Golden from start to finish.

The race is two laps of the course for the 5K and four laps for the 10K. Please remember the amount of laps you have completed.

We ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and will help keep everyone safe. If you want to finish the run earlier, that is absolutely fine - please follow the signs to the finish line.

Please also be aware that we will have music guides and marshals on the course, so be sure to listen out for any additional instructions.

Please throw all rubbish and empty bottles within the signed litter zone. There will be large bags and bins within this area that you will pass on each lap of your race.

Water will be available on the course and once you have finished the race.

FAQS

How will my results show?

Your results will be shown on our website shortly after the race ends.

Is there a time restriction to complete the race?

No, everyone is welcome, however please get in contact with us at info@runfanatics.com if you plan to take more than 2hrs to complete your race as we may need to make special arrangements around the course and event village.

Can I wear fancy dress?

Absolutely! We'd love to see you come dressed in your fave Harry inspired looks. Our best dressed runners will receive a special prize on the day, so keep an eye out for our Marshals who will be choosing the winner.

Will there be a water station on the course?

There will be a water station on the course, and bottles of water at the finish line.

Is there music on the course? Am I allowed to wear headphones?

We aim to have as much music as possible on the course, and will have five stationary music points on the course and roughly ten music guides running. We recommend sticking with a music guide if you want to hear music the whole way around. If you do want to wear headphones, please keep the volume low so you can hear any marshal instructions during the race.

When will I get the merch I ordered with my entry?

This will be available to collect at the merch collection desk on the day. Please have your email confirmation ready to show to our staff.

Where should I park for the event?

There is paid parking on site, if parking on the surrounding roads please use parkopedia.com to find somewhere suitable for you as spaces can be restricted on race day. We recommend using public transport where possible.

Where is the best place to spectate?

We advise staying within the event village.
